

LGPHY Mobile Gaming Privacy Policy

This Privacy Policy describes the policies and procedures of Let's Get PHYSICal, LLC ("Company", "we", "our" or "us") on the collection, use and disclosure of your information in connection with your use of all LGPHY Mobile Gaming applications (the "App") and any associated services, features, content or applications we offer through the App (collectively, the "Services"). We receive information about you from various sources, including without limitation: (i) if you register for the App and the Services, through your user account on the Services (your "Account"); (ii) your use of the Services generally; and (iii) from third party websites and services. When you use the Services, you are consenting to the collection, transfer, manipulation, storage, disclosure and other uses of your information as described in this Privacy Policy.

What Does This Privacy Policy Cover?

This Privacy Policy covers the treatment of personally identifiable information ("Personal Information") gathered when you are using or accessing the Services. This Privacy Policy also covers our treatment of any Personal Information that our business partners share with us or that we share with our business partners.

This Privacy Policy does not apply to the practices of third parties that we do not own or control, including but not limited to any third party websites, services and applications (e.g. Spotify, iTunes, YouTube, Google Play, Twitter, Facebook, Instagram, etc.) (each a "Third Party Service") that you elect to access through the Service or to individuals that we do not manage or employ. While we attempt to facilitate access only to those Third-Party Services that share our respect for your privacy, we cannot take responsibility for the content or privacy policies of those Third Party Services. We encourage you to carefully review the privacy policies of any Third-Party Services you access.

What Information Do We Collect?

The information we gather enables us to personalize, improve and continue to operate the Services. In connection with certain aspects of the Services, we may request, collect and/or display some of your Personal Information. We collect the following types of information from our users.

Account Information:

If you create an account on the Services ("Account"), you may be required to provide information that could be Personal Information, such as your name, phone number and/or email address. Additionally, if you register for or access the Services using a Third Party Service (such as your social media account login credentials), we may receive Personal Information that you allow such Third Party Service to share with us. You acknowledge that this information may be personal to you, and by creating an Account and providing Personal Information to us, you allow others, including us, to identify you and therefore may not be anonymous. We may use your contact information to send you information about our Services. You may unsubscribe from

some of these messages by emailing us at support@lgphy.com although we, regardless, reserve the right to contact you when we believe it is necessary, such as for account recovery purposes.

Information Regarding Your Social Networks:

As mentioned above, you may be able to register for or access the Services using a Third Party Service, such as your social media account (e.g. Facebook, Twitter, Instagram, etc.). Occasionally, you can also use your Account on our Services to interact with your accounts on these other services. For example, you may be able to access posting and sharing tools on the Services that allow you to post information to your social networks outside of the Services (“Share”). By using these tools, you acknowledge that some account information from your account on the applicable Third Party Service may be transmitted into your Account with us, and that such information is covered by this Privacy Policy. Furthermore, if a tool, such as the Share tool, is operated by a Third Party Service, the Third Party Service that operates the tool may collect information about your browser or online activity, which would be subject to the Third Party Service’s privacy policy. When you use these tools, some of your information from the Services may be shared with the Third Party Service and others. Therefore, we encourage you to read the privacy policies and other policies of any Third Party Services, including without limitation any applicable social networks, you use in connection with the Services

Additionally, we may collect and receive your social media account login credentials in connection with providing you with the Services, but only if you expressly provide us with such information. We will only use such login information as set forth in this Privacy Policy or as otherwise expressly authorized by you.

User Content:

Some features of the Services allow you to provide content to the Services, such as video clips. All content submitted by you to the Services may be retained by us indefinitely, even after you terminate your Account. We may continue to disclose such content to third parties in a manner that does not reveal Personal Information, as described in this Privacy Policy.

Location Information:

Some of our Services may include features based on users’ actual locations and may report on users’ current locations (“Location-Based Services”). To the extent you voluntarily opt to use any Location-Based Services, we may collect and store information about your location at the time you use those Location-Based Services. Additionally, we may also collect and/or receive location information from your use of the Services generally, which can come from a variety of sources, depending on how you use or access the Services. For example, a User Image taken from your mobile device may contain location information related to where the image was taken, or a mobile device may report its GPS location at the time Location-Based Services are used.

IP Address Information and Other Information Collected Automatically:

- Generally, the Services automatically collect usage information, such as the number and frequency of visitors to the App and users of the Services. We may use this data in aggregate form, that is, as a statistical measure, or in other anonymous forms, but not in a manner that would identify you personally. This type of data enables us, and third parties authorized by us to figure out how often individuals use parts of the Services so that we can analyze and improve them.
- We automatically receive and record information from your web browser and device when you interact with the Services, including your IP address and cookie information and other mobile identifiers. This information is used for fighting spam/malware and also to facilitate collection of data concerning your interaction with the Services (e.g., what links you have clicked on).
- We may collect some device-specific information if you access the Services using a mobile device. Device information may include but is not limited to unique device identifiers, network information, and hardware model, as well as information about how the device interacts with our Services.

Email, Text, and Push Notification Communications:

We may communicate with you via push notification, email, SMS, MMS or other text message (“Message”) (to the extent you permit us to do so), and we may collect information regarding such communications, such as confirmation when you open an email, read a Message or receive a push notification. We use this information to improve our Services, including without limitation our customer service.

Aggregate Information:

We collect statistical information about how both unregistered and registered users, collectively, use the Services (“Aggregate Information”). Some of this information is derived from Personal Information. This statistical information is not Personal Information and cannot be tied back to you, your Account or your web browser.

How, and With Whom, Is My Information Shared?

Public Information About Your Activity on the Services:

Some of your activity on and through the Services is public. This may include, but is not limited to, content you have posted publicly on, through or in connection with the Services, including without limitation on public portions of Third Party Services, such as your social media accounts.

Registered users may have some of this information associated with their Accounts. Unregistered users will not have this association, but information concerning their use of the Services (such as what pages they have visited) may be tracked anonymously through the use of cookies and stored by us.

Please remember that if you choose to provide Personal Information using certain public features of the Services, then that information is governed by the privacy settings

of those particular features and may be publicly available. Individuals reading such information may use or disclose it to other individuals or entities without our control and without your knowledge, and search engines may index that information. We therefore urge you to think carefully about including any specific information you may deem private in content that you create or information that you submit through the Services.

IP Address and Device Information:

While we collect and store IP address and device information, that information is not made public. We do at times, however, share this information with our partners, service providers and other persons with whom we conduct business, and as otherwise specified in this Privacy Policy.

Information You Elect to Share:

You may access other Third Party Services through the Services, for example by clicking on links to those Third Party Services from within our Services. We are not responsible for the privacy policies and/or practices of these Third Party Services, and you are responsible for reading and understanding those Third Party Services' privacy policies. This Privacy Policy only governs information collected on the Services.

Aggregate and Non-Personally Identifiable Information:

We share Aggregate Information with our partners, service providers and other persons with whom we conduct business ("Business Partners"). We may also share information with our Business Partners that is (i) not Personal Information or (ii) derived from Personal Information but has been anonymized so that it is no longer personally identifiable (collectively with Aggregate Information, "Non-Personal Information"). We use and share this type of data so that we and our Business Partners can understand how and how often people use our and their services or websites, which facilitates improving our Services, their services and how our Services interface with their services. In addition, these Business Partners may share with us non-private, aggregated or otherwise non Personal Information about you that they have independently developed or acquired.

Email and SMS Communications with Us:

As part of the Services, you may occasionally receive push notifications, email, SMS text and other communications from us, such as communications relating to your Account.

User Profile Information:

User profile information including your username and other information you enter may be displayed to other users to facilitate user interaction within the Services. We will not directly reveal user email addresses to other users.

Social Media Account Login Credentials:

If you share your Third Party Services account login credentials with us, we may use such information to post on your behalf. We will never share or disclose your login credentials outside of our company. We may share your User Content (as defined in the

Terms of Service), or some derivative thereof, on our company-branded social media channels, and we may tag you in such post using your name, social media name, handle or other identifier.

Information Shared with Our Agents:

We employ and contract with people and other entities that perform certain tasks on our behalf and who are under our control (our “Agents”). We may need to share Personal Information with our Agents in order to provide products or services to you. Unless we tell you differently, our Agents do not have any right to use Personal Information or other information we share with them beyond what is necessary to assist us. You hereby consent to our sharing of Personal Information with our Agents.

Information Disclosed Pursuant to Business Transfers:

In some cases, we may choose to buy or sell assets. In these types of transactions, user information is typically one of the transferred business assets. Moreover, if we, or substantially all of our assets, were acquired, or if we go out of business or enter bankruptcy, user information would be one of the assets that is transferred or acquired by a third party. You acknowledge that such transfers may occur, and that any acquirer of us or our assets may continue to use your Personal Information as set forth in this policy.

Information Disclosed for Our Protection and the Protection of Others:

We also reserve the right to access, read, preserve, and disclose any information as we reasonably believe is necessary to (i) satisfy any applicable law, regulation, legal process or governmental request; (ii) enforce this Privacy Policy and our Terms of Service, including investigation of potential violations hereof; (iii) detect, prevent, or otherwise address fraud, security or technical issues; (iv) respond to user support requests or (v) protect our rights, property or safety, our users and the public. This includes exchanging information with other companies and organizations for fraud protection and spam/malware prevention.

Information We Share with Your Consent:

Except as set forth above, you will be notified when your Personal Information may be shared with third parties and will be able to prevent the sharing of this information.

Is Information About Me Secure?

We seek to protect Account information to ensure that it is kept private; however, we cannot guarantee the security of any Account information. We store all of our information, including your IP address and device information, using industry-standard techniques. We do not guarantee or warrant that such techniques will prevent unauthorized access to information about you that we store, Personal Information or otherwise. Unauthorized entry or use, hardware or software failure, and other factors, may compromise the security of user information at any time. Additionally, you are responsible for preventing unauthorized access to your Account and Personal Information by protecting your Account credentials and limiting access to Service Device (as defined in the Terms of Service).

What Information of Mine Can I Access?

If you are a registered user, you can access information associated with your Account by contacting us at support@lgphy.com. Registered and unregistered users can access and delete cookies through their web browser settings.

California Privacy Rights: Under California Civil Code sections 1798.83-1798.84, California residents are entitled to ask us for a notice identifying the categories of personal customer information which we share with our affiliates and/or third parties for marketing purposes and providing contact information for such affiliates and/or third parties. If you are a California resident and would like a copy of this notice, please submit a written request to the following address: Let's Get PHYSICal, LLC.

In accordance with applicable privacy law, you have the following rights in respect of your personal information that we hold:

Right of access. You have the right to obtain:

1. confirmation of whether, and where, we are processing your personal information;
2. information about the categories of personal information we are processing, the purposes for which we process your personal information and information as to how we determine applicable retention periods;
3. information about the categories of recipients with whom we may share your personal information; and
4. a copy of the personal information we hold about you.

Right of portability. You have the right, in certain circumstances, to receive a copy of the personal information you have provided to us in a structured, commonly used, machine-readable format that supports re-use, or to request the transfer of your personal data to another person.

Right to rectification. You have the right to obtain rectification of any inaccurate or incomplete personal information we hold about you without undue delay.

Right to erasure. You have the right, in some circumstances, to require us to erase your personal information without undue delay if the continued processing of that personal information is not justified.

Right to restriction. You have the right, in some circumstances, to require us to limit the purposes for which we process your personal information if the continued processing of the personal information in this way is not justified, such as where the accuracy of the personal information is contested by you.

Right to object. You have a right to object to any processing based on our legitimate interests where there are grounds relating to your particular situation. There may be compelling reasons for continuing to process your personal information, and we will assess and inform you if that is the case. You can object to marketing activities for any reason.

If you wish to exercise one of these rights, please contact us at support@lgphy.com. You may also review and edit the personal information you have submitted to us by logging into your account on the app.

How Can I Delete My Account?

Should you ever decide to delete your Account, you may do so through the App, by deleting the App or by emailing at support@lgphy.com. If you terminate your Account, any association between your Account and information we store will no longer be accessible through your Account. However, any public activity on your Account prior to deletion will remain stored on our servers and will remain accessible to the public.

What Choices Do I Have Regarding My Information?

- You can use some of the features of the Services without registering, thereby limiting the type of information that we collect.
- You can always opt not to disclose certain information to us, but please note that certain information may be needed to take advantage of some of our features.
- You can delete your Account. Please note that we will need to verify that you have the authority to delete the Account, and activity generated prior to deletion will remain stored by us and may be publicly accessible.
- You can choose to opt out of certain communications or communication methods; however, if you do so, you may not be able to take advantage of some of our Services' best features.

What Happens When There Are Changes to this Privacy Policy?

We may amend this Privacy Policy from time to time. Use of information we collect now is subject to the Privacy Policy in effect at the time such information is collected. If we make changes in the way we collect or use information, we will notify you by posting an announcement on the Services or sending you an email. A user is bound by any changes to the Privacy Policy when he or she uses the Services after such changes have been first posted.

What If I Have Questions or Concerns?

If you have any questions or concerns regarding privacy using the Services, please send us a detailed message to support@lgphy.com. We will make every effort to resolve your concerns.
